

BORIS GRUNDL

Expert on Leadership Management Coach

Boris Grundl is one of Europe's best leadership coaches and management trainers. The successful entrepreneur, author and founder of the Grundl Leadership Institute is also a sought-after keynote speaker.

Boris Grundl has perfected the art of leadership. He is guest lecturer at several universities - with one crucial feature: he is in a wheelchair. The successful professional tennis player had a serious sports accident, but did not give up and set his sights on new perspectives. He was the first student in a wheelchair to graduate from the Cologne Sports University.

His references confirm his exceptional position among top speakers. No one else is attested such a high level of authenticity and profundity. He speaks plainly, always remains humorous and gets to the heart of the matter. His ability to move, touch and inspire others is unique.

As a prominent expert, Boris Grundl is a welcome guest and protagonist on television and radio (including ARD, ZDF, WDR, MDR, 3sat, SWR, RBB, FFH).

Boris Grundl coaches managers at the highest level. Numerous large corporations and medium-sized companies in German-speaking countries trust the leadership expert. In top executive coaching and keynotes, he efficiently guides his clients, shows them how to change their perspective and makes them understand how to develop and live purposeful leadership.
