

CHRIS ROEBUCK

Professor of Transformational Leadership Accelerating Your Success

For over 30 years Chris Roebuck has led global teams growing C suite and other leaders as High Performance Leaders to Accelerate Success by meeting their key objectives and beating challenges from M&A to customer focus, brand building to risk management and now AI adoption.

Chris has Accelerated Success at HSBC, London Underground, UBS, KPMG, Nat West, UK NHS, helped leaders grow in Goldman Sachs, Tata, Cardinal Health, UK & UAE Prime Ministers Offices, Huawei, Reuters, Barclays, Red Cross, Chinese Space Programme and more, all built on his experience as a British Army Officer and in senior leadership roles across business and Government.

He's delivered award winning major transformations and culture change, grown new talent to build entrepreneurial future focused organisations and shown how people power can boost profits.

Chris interacts with audiences to reveal the amazing potential hidden in their own experience and creates new powerful insights on how to be Authentic and Impactful which leaders won't have heard before, all in a fun inspiring way, blending this with business examples, neuroscience, hard data and his insights to present a compelling call to action which each individual can take forward via specific personal actions.

This enables leaders to not only to deliver immediate impact but also be Future Fit Leaders, in the top 20% of performers versus competitor peers, successful not just for now but for the rest of their careers. Chris has a system which demonstrates the return on investment (ROI) for his keynotes - proving a significant ROI not only afterwards but even before the end.
