

**Authority on Global Economy and Asian Economies
Broadcaster and Author**

Linda Yueh is an economist, broadcaster, and author.

Dr. Yueh is Fellow in Economics at St Edmund Hall, University of Oxford, Adjunct Professor of Economics at London Business School, and Visiting Professor of Economics at Peking University. She is a broadcaster, including for BBC Radio 4, and was the BBC's Chief Business Correspondent and host of "Talking Business with Linda Yueh", as well as Economics Editor for Bloomberg TV.

Dr. Yueh is Director of the China Growth Centre at Oxford, a member of the Policy Committee of the Centre for Economic Performance (CEP) at the London School of Economics and Political Science, an Advisory Board member of The Official Monetary and Financial Institutions Forum (OMFIF), and a Trustee of the Coutts Foundation. She has advised the World Bank, European Commission, Asian Development Bank, World Economic Forum, among many others. She has been a Non-Executive Director of several FTSE companies, an advisor to the British Chambers of Commerce (BCC), and served on the Board of London & Partners, the official promotion agency for London. Previously, she was an attorney at Paul, Weiss, Rifkind, Wharton & Garrison resident in New York, Hong Kong, and Beijing.

Dr. Yueh is the author of several books, including China's Growth: The Making of an Economic Superpower, Enterprising China: Business, Economic, and Legal Development Since 1979, the award-winning The Economy of China, and Macroeconomics, a recommended textbook of the UK Government Economic Service. She is also the Series Editor of the Routledge Economic Growth and Development Series, and has published dozens of academic papers in leading economics journals.
